(Edition PM2451 Dec 17th 2024)

Prayer Matters is published by Fiona Emery membercare@amtglobal.com.au every Tuesday. Please direct all prayer requests to her by noon on Monday.

David & Mary Chapman, (Zambia, DPG Day 3)

We will be busy in the next few weeks as we will start sitting with some of the students who are still at the school. Mary is working over the next four weeks. Others will be on leave. We have had 10 days of no rain, and it has been so hot and we are praying that God sees us through. We are going through some aches and pains of late so we hope and pray that our bodies will be healed so that we feel our tasks are head.

Samuel & Alissa Sanchez, (Colombia, DPG Day 5)

Samuel has been keeping busy with the upkeep of the campsite as well as bible studies, preaching and youth group. He has had a few trips to Neiva to encourage the believers there. Our trip last month was special as we were able to go as a family, due to Hannah's improvement. We have seen a real improvement over the last 2 months and pray she can continue on this path. We are still working with doctors to find the cause for her illness and are relieved to be finally getting a few answers, but we are on a real journey of faith and patience and we work through this with her. We value your prayers for us all.

David & Tina Cannon, (Thailand, DPG Day 9)

A trip to Canberra for a few days is included this month to visit Tina's parents. Each farewell with them becomes much harder. Tina's mum, Donna, has been recovering from quite serious illness and her dad, Ray, has been expending a lot of physical and emotional energy in caring for her. Please pray for deep meaningful moments of spiritual significance with them. Pray for Phi Jim who is running a Christmas outreach for her village with the help of Tukada, Ek and Mek her adult children.

Allan & Shelley Moss, (QLD, DPG Day 13)

Since our last letter we've had to say a sad goodbye to our East Timorese, Tongan and Ni-van friends as they all drifted back to their homes when the seasonal work on the farms was finished. Pray for them as they return to their families. Pray for the spiritual growth of our young people as they seriously look to expand the ministry to more young people next year. It is exciting to see them take the initiative.

Trevor & Manoli Allan, (Spain, DPG Day 19)

We appreciate your prayers for our time now in Australia, visiting Churches and family. Pray for the ongoing work of the Hostel (Albergue El Olivo) in Ribadeo as is still open, even though it is winter in Spain and some pilgrims are still arriving every day. Our son, Joel is running it on his own. Pray for Him as it is his first time. We PRAISE our LORD for the over 1500 pilgrims who have come and stayed, some for two nights.

Bill & Nicoletta Quinert, (Italy, DPG Day 19)

Pray for my friend Walter as we go out on the streets & to refugee centers in Rome to witness & share the Gospel. We meet local folk, Chinese & folk from many countries, the majority Muslims, we don't see many conversions, but delight to tell the good news, trusting the Lord for future fruit. Nicoletta & I will have Bible calendars to distribute to many friends & neighbours, which will also give us a chance to witness & point people to Christ, so please pray for positive results.

Carol Luttah, (PNG, DPG Day 22)

Please pray for: much needed rest while in Kenya for the holidays and inner joy as I trust God for answer to prayers for salvation in my family, sufficient provision and support raising. For the teams in Wewak and other locations in PNG to faithfully serve the cause of Christ in PNG. For the God's guidance and provision as we search for residential property in Lae. For daily operational issues like power supply - it's been getting worse, forex availability, fuel shortages among others.

Scott & Ruth Brown, (Specialist, DPG Day 23)

Media for Movements (M4M): in 2025 I will transition into a more formal role (one day per week) to support this strategy by sharing monthly stories from M4M workers and ministries across regions. The aim is to mobilize others for M4M in the international fellowship as this strategy aligns with our vision of indigenous discipleship movements in East Asia. Pray as I help grow our YouTube presence, creating engaging content to equip and inspire emerging generations of mission workers. Pray for all of our OMF workers here in Australia and overseas, and continue to pray for the harvest

Ian & Leann Buckley, (Specialist, DPG Day 23)

PTL for the Lord's provision to get home in time for the funeral and being able to take part and be a help to the family. PTL for stage one on the Dhulikhel church building being completed. Please be praying for the Lord's provision to begin stage two, the trusses and roof. Please be praying for the planned Christmas outreaches and celebration with our Nepali team in Nepal. Pray for hearts to be open to the gospel and PTL for the local government being supportive.

Seni Tafa (AMT Team, DPG Day 26)

"Made For This" is an open air evening event being planned supporting outreaches to the local community around Kuraby. The aim is to mobilise young people in local mission. Looking forward to 2025, we hope Made For This will be an opportunity to see Gospel outreach here in South Brisbane as well as an initiative that young people can join, be equipped, and encouraged by as part of God's mission here in Brisbane. Please pray that God will bring partnership and collaboration from local churches and believers. Pray that God would be stirring the hearts of our young people and young leaders for the local community and bring them into opportunities to serve.

Simon & Ann, (Restricted Access, DPG Day 30)

This year, we embarked on a new ministry in a new location and with a new organisation. We are now engaged in training church leaders in Jakarta. Simon, together with his co-worker John, has initiated two courses aimed at training pastors and ministry leaders in Indonesia. Please pray that God would raise up more workers for the training in Indonesia. Perhaps some of the current students will, in the future, join as lecturers. Pray we would continue to settle into Jakarta life. For health, as the pollution here is very bad. For God to grow the reach of our course and impact the church with the importance of solid biblical teaching and a clear gospel. For Gospel opportunities.

Paul & Leah Davies (Enroute to Republic of Ireland, new to DPG)

Our current prayer is that God would give us the grace to cope with our newest living arrangements as we move out of college accommodation into a granny flat, with all the kids in one room and no storage. We will need His help to love one another in such a small space. We also ask God to guide us and provide church partners who will hold us in prayer and send us out. We have been greatly encouraged already by God's provision and look forward to the next stage.
